Getting Started Gesture Guide Troubleshooting Additional Instructions

Gesture	Function	How to Perform
Open Palm V Gesture Fist Index Finger Two Fingers Closed Pinch (Major Hand) Pinch (Minor Hand)	Move Cursor Enable Clicking Mode Left Click & Hold Right Click Double Click Brightness/Volume Scroll	Show your open palm to the camera. Move your hand to control the cursor. Raise your index and middle fingers in a 'V' shape to enable clicking. Make a fist to perform a left click and hold action. Release to stop holding. Raise only your index finger while in clicking mode for right click. Raise index and middle fingers, then close them quickly for double click. Pinch with thumb and index finger on your dominant hand to control brightness/volume Pinch with thumb and index finger on your non-dominant hand to scroll.
